

David Horsager is the leading expert on trust and how it's built into everything from individuals and organizations to global governments. His work has been featured in prominent publications such as Fast Company, Forbes, The Wall Street Journal, and The Washington Post.

David has worked with clients ranging from Fortune 100 companies like Verizon and FedEx to the New York Yankees and U.S. Congress. He helps leaders and organizations become most trusted in their industry through research, speaking, consulting and human capital development.

As bestselling author of *The Trust Edge* and *The Daily Edge* he has taken the platform across the United States and on 6 continents. He invented the Enterprise Trust Index™ and leads the charge in one of the nation's foremost trust studies—The Trust Outlook™.

David Horsager is CEO of Trust Edge Leadership Institute where the mission is to develop trusted leaders and organizations and the hope is to make a dent in the global trust crisis.
